THE COLLECTION

Design
BY 

Choosing a radiator isn't just about heating a room, it's about adding a little flair and personality to complement your décor and lifestyle. Where choice is essential, our inspired and distinctive range of design and towel radiators come into their own. Design by QRL lets you express your ideas and add real character to your home. We give you the choices you need to create the exact look you want.

QRL offers:

Designer radiators to suit all tastes

Our advanced manufacturing facilities in South Wales, combined with our commitment to research and development, ensure a steady flow of leading products which excel in performance, reliability and style.

Radiators when you need them

As the only designer radiator manufacturer based in the UK, we're literally on your doorstep. That means whatever you need, we'll hold it in stock locally for your merchant, ensuring excellent availability and speedy delivery.

Tailor made colours: for style and convenience

Colour adds something special to your rooms, so why not consider it for your radiators too? We offer a choice of over 180 colours from the RAL colour chart as well as a selection of 9 popular colour options, with textured and metallic effects. All colour options available with a four-week lead time.

Peace of mind

As Europe's leading manufacturer, QRL Radiator Group has been setting the standard for over 35 years. We offer expert technical support and give a 10-year warranty.
